

### **Temporary Cessation of Operations - COVID - 19**

In accordance with Government Guidance, we have decided that at present and in the interest of protecting clients and employees we should temporarily cease operations.

All lines of communication (Landline, Mobile and Email) remain open and will be monitored regularly.

We aim to return to gardening operations around 14<sup>th</sup> April unless instructed otherwise.

We thank you for your understanding continued support during this difficult time and hope to see you all again

Keep safe
